Located in Hampton, Virginia...the Virginia Air & Space Center features dozens of hands-on air and space exhibits, a premiere interactive aviation gallery that spans 100 years of flight, more than 30 historic aircraft, unique space flight artifacts and more!

IMAX® (short for "image maximum") is the world's largest motion picture format, offering viewers an unparalleled sense of realism and motion. It is a technologically advanced theater, images of awesome power are projected onto a five-story screen and enhanced by 16,000 watts of digital sound.

Red seating... Voucher has to be exchanged for a ticket and can be used for any home game, doesn't expire until voucher is exchanged for ticket. Can be upgraded at the gate for \$3.00.

The Virginia Living Museum continues to be a museum leader in its use of native wildlife to present its message - stimulating knowledge, awareness and appreciation of the living world. It is located in Newport News, Virginia.

Visitors to the living museum encounter more habitats, wildlife and plant species than would be encountered in a lifetime of outdoor adventures in Virginia. The exhibits showcase all of the state's regions from the upland coves of the Appalachian Mountains to the salty offshore waters of the Atlantic Ocean and feature more than 245 different animal species.
